Staff or Volunteer	Sort each closed case into as either "Staff" if it was handled by lawyers or paralegals who are paid employees of your organization, or "Volunteer" if it was handled <b>primarily</b> by lawyers or paralegals who are not paid employees of your organization.
Brief Services	Legal counsel and advice and/or other brief service including drafting of simple legal documents and preparation of documents for client to use on a <i>pro se</i> basis, and comprehensive legal screenings to determine eligibility for immigration relief. Please do not include information & referral numbers.
Representation without Litigation	On behalf of individual clients: Extensive research, preparation of complex letters or other legal documents; negotiation with third parties; extensive transactional work.
Administrative Hearing	Representation in formal proceedings and/or hearing before an administrative agency.
Full Representation	Representation in court proceedings.
Total Currently Open Cases	Do not break open cases down by category of law or level of service. Instead, provide one single number - the total number of currently open cases on the last day of the Case Reporting Period (June 30, 2024).

Staff and Board Data	
Category & Role	Sort your organization/project's personnel into the categories and roles below. Do not include information for consultants or independent contractors working on a limited-duration basis.
Board Members	If you have multiple boards, only count members of the board which most directly oversees the legal services of your organization.
Executive Director/CEO/Director of Legal Aid Project	The individual serving as the chief executive of the legal aid organization or of the legal aid project within a larger organization (e.g. social services agency, law school).
Senior Management Staff	Management-level staff who report to the executive director, e.g., deputy/associate/assistant director; chief operating officer; chief financial officer; legal director/director of advocacy; development director.
Managing/Supervising Attorney	Attorneys who directly supervise the work of other attorneys, as head of a department, practice group, project, or office.
Staff Attorney/Senior Staff Attorney	Attorneys who are not managing/supervising attorneys and who provide services to clients. Includes legal fellows (e.g., funded by Equal Justice Works) employed on a full-time basis.
Paralegal/Legal Advocate	Paralegals and other individuals (e.g., Department of Justice accredited representatives) who are not licensed attorneys and who are directly involved in providing legal services to clients.
Operational/Administrative	Individuals whose roles include fundraising, financial management, human resources, information technology, data analysis, marketing and/or other critical organizational functions.
Other Staff	Includes social workers, VISTAs, community navigators, and any other individuals employed by the organization in a capacity not listed in one of the categories listed above.
# Part-Time Staff Members	This is the total number of part-time staff members for each category. Count everyone in a given category who is not full-time, regardless of the exact number of hours they work.

Total # Staff Members (Include both full-time and part-time)	A person at your organization should be counted if they are a paid staff member on June 30 of the current calendar year. If the legal services project that LTF funds is part of a larger organization, only include staff who work on the legal services project funded by LTF. Only include current staff. Do not include volunteers, recently departed staff, anticipated new hires, or open positions.
Total Board Members	A person on your board should be counted if they are a member of your board on June 30 of the current calendar year. Only include current board members. Do not include recently departed board members, anticipated new board members, or open seats on the board.
# New Hires (July 1 - June 30)	The number of new board appointments or the number of new staff members hired into each of the above staff categories during the year ending June 30, 2024, even if they are no longer currently employed (i.e., if your organization had no paralegals last July, hired one in September and fired them in December, and you have no paralegals now, the number of new hires would be 1.)

Staff and Board Demographic Data	
Staff and Board Groups	These categories are locked based on your answers in the "Staff Data" tab. Please see above for definitions of the Staff Data categories.
Cisgender	A term used to describe a person whose gender identity aligns with the sex assigned to them at birth.
Transgender	An umbrella term for a person whose gender identity and/or expression is different from cultural expectations based on the sex they were assigned at birth. Being transgender does not imply any specific sexual orientation. Transgender people may identify as straight, gay, lesbian, bisexual, etc.
Identity "not listed"	Individuals should be recorded in this row if they have self reported an identity that is not listed and that cannot be easily mapped to the listed options. In any demographic topic area (race/ethnicity, gender identity, sexual orientation) if your organization only asks individuals if they identify as a member of a minority group or not, record the number of minority identifying individuals in this row. If your organization collects a greater level of detail than is asked for and there are a number of identities which do not fit into our categories, record the remaining individuals in this row.
"Not disclosed" identity	The "not disclosed" categories are meant to capture individuals who have been asked to self identify certain demographics but who have actively chosen not to do so. If there is not data from a staff or board member on a particular demographic topic, put them in this category as well.

Client Demographic Data	
Count	Record a single unduplicated client per case under each demographic topic. If you do not collect self-reported data on a certain demographic topic, enter "0" in the cells in that section. Use your best judgment to fill whatever data you have into our categories.
"Not disclosed" identity	The "not disclosed" categories are meant to capture individuals who have been asked to self identify certain demographics but who have actively chosen not to do so. If there is not data from an individual client on a particular demographic topic, put them in this category as well.
